Don't Quit

By Nathan D. Pietsch

In the month of October I went to Washington State and Idaho to minister. The Heavenly Father, Jesus, and Holy Spirit showed up in ways that will impact people's lives for years to come. One man who was radically touched is named "James."

James helps at a ministry that focuses on helping the less fortunate. People come from all over Spokane on a weekly basis to receive a hot meal, hygiene items, and prayer support. I was able to preach a message to the group taken from Mark 5. I shared how the enemy will often attack those who have a great call on their lives.

After the message, I prayed for the people. James received a wonderful touch from the Hand of God. He testified in front of the crowd saying, "I told God today, 'I'm done with ministry. I'm quitting. It's too hard.' I then walked home before you all arrived. While at home, I kept being prompted by God to come back here. During the prayer time, I felt all this junk lift out of me. All sorts of hopelessness and insecurity came out. I feel completely new and refreshed now."

Regardless of what you might be going through in your own life, do not quit. Your breakthrough is just around the corner. The Bible says in Galatians 6:9 (ESV), "And let us not grow weary of doing good, for in due season we will reap, if we do not give up."
